

Kia Stonic Test Drive & Dealer Checklist

BEFORE THE VISIT

- ☐ Ask for full maintenance history (onderhoudsboekje)
 - ☐ Ask if maintenance was dealer-performed
 - ☐ Ask if the car has ever had accidents or paint repairs
 - ☐ Ask how many previous owners the car had
 - ☐ Ask when the last service was done
 - ☐ Ask whether warranty covers engine/turbo/clutch/electronics
 - ☐ Confirm NAP mileage report is available
 - ☐ Ask if price negotiation is possible
 - ☐ Ask them NOT to warm the engine before arrival (cold start important)
-

EXTERIOR CHECK

General body condition

- ☐ Walk around slowly and check all panels
 - ☐ Look for mismatched paint color/shade
 - ☐ Check panel gaps are even
 - ☐ Look for scratches/dents on bumpers and doors
 - ☐ Check windshield for chips/cracks
 - ☐ Check headlights for fogging/moisture
-

TIRES & WHEELS

- ☐ Check all 4 tires are same brand/model
- ☐ Check tire tread depth

- ☐ Look for uneven tire wear
 - ☐ Check rims for heavy damage
-

INTERIOR CHECK

- ☐ Check seat condition and wear
 - ☐ Check steering wheel wear
 - ☐ Check pedals condition
 - ☐ Smell interior (humidity/smoke/mold)
 - ☐ Test air conditioning thoroughly
 - ☐ Test heating
 - ☐ Test infotainment system
 - ☐ Test Apple CarPlay / Android Auto
 - ☐ Test Bluetooth
 - ☐ Test reversing camera and parking sensors
 - ☐ Test all windows and mirrors
 - ☐ Test trunk opening/closing
 - ☐ Fold rear seats and check practical trunk space
 - ☐ Imagine bike/race gear/stroller fit
-

ENGINE START (COLD)

- ☐ Engine starts smoothly
- ☐ No rattling noises
- ☐ No excessive vibration
- ☐ No warning lights remain on dashboard
- ☐ Idle feels stable

TEST DRIVE

Low-speed driving

- ☐ Steering feels straight
 - ☐ No pulling left/right
 - ☐ No strange suspension noises
 - ☐ Speed bumps feel normal
-

Clutch & gearbox (if manual)

- ☐ Clutch engages smoothly
 - ☐ Clutch bite point not too high
 - ☐ Gear shifts smooth
 - ☐ No slipping during acceleration
-

Acceleration

- ☐ Turbo feels smooth
 - ☐ No hesitation or jerking
 - ☐ No whining noises
-

Braking

- ☐ Car brakes straight
 - ☐ No steering wheel vibration
 - ☐ No grinding noises
-

Highway test (VERY IMPORTANT)

- ☐ Drive at 100–120 km/h

- ☐ Car feels stable
 - ☐ No excessive wind noise
 - ☐ Steering stable at speed
 - ☐ No vibration through wheel or seats
-

AFTER THE DRIVE

- ☐ Open hood and look for leaks/smells
 - ☐ Check engine temperature normal
 - ☐ Look underneath for fresh leaks
 - ☐ Ask for service invoices
 - ☐ Ask what exactly warranty covers
 - ☐ Ask if they can include: - fresh service - oil change - new tires if needed - extra warranty - discount
-

NEGOTIATION TARGET

Ideal target: €12.800 – €13.200

If they refuse discount: Try to get included: ☐ Fresh maintenance service

- ☐ New APK if possible
 - ☐ Tire replacement
 - ☐ Longer warranty
 - ☐ Delivery package included
-

FINAL QUESTIONS

- ☐ Why is the car being sold?
- ☐ Has it mostly done highway or city kilometers?
- ☐ Any known issues with the car?

☐ Can an independent inspection be done?
